Dear Sir/Madam:

This Response is responsive to the Final Office Action mailed May 23, 2002. Please  
amend the above-identified patent application as follows:

*Pls enter  
8/26/02  
BPOH NOTICE OF REPEAL*

**IN THE CLAIMS**

**No claims have been amended or canceled:**

1. A replaceable ink container for providing ink to an inkjet printing system, the inkjet printing system having a receiving station for receiving the replaceable ink container; the receiving station having a fluid inlet and a sealing structure, the replaceable ink container comprising:

a reservoir defining a fluid outlet and a sealing surface proximate the fluid outlet; and  
a sealing material contained within the reservoir for wetting the sealing surface, the sealing material including solid particles held in a suspension, solidification of the solid particles acting to seal defects between the sealing surface and the sealing structure.

2. The replaceable ink container of claim 1 wherein the solid particles are pigment particles.

3. The replaceable ink container of claim 1 wherein the solid particles are carbon black particles.
